**Re: *In the Matter of the Denial of an Insulin-Dependent Diabetic Driver
Waiver to Brady W. Webster Pursuant to Minn. Stat. § 221.0314;
OAH Docket No. 15-3001-21028-2***

To the Parties:

On February 18, 2010, I sent a letter to the parties requesting that they address questions concerning application of the law to the facts presented in this matter. I requested a response from the Department by March 3, 2010, and Mr. Webster was given until March 15, 2010, to reply.

On March 5, 2010, a staff attorney with this Office contacted Mr. Sindt to determine if his response was forthcoming since nothing had been received. Mr. Sindt was uncertain if he had received the letter of February 18, so at his request, a copy of the letter was e-mailed to him on March 8, and he stated that he would respond within a day or two.

As of this date, no response has been received.

Since no response has been received from the Department, Mr. Webster need not file a reply. The hearing record will be closed as of this date and a report and recommendation will be issued.

Sincerely,
s/Beverly Jones Heydinger
